

April 4, 2018

Mr. Goevelinger,

As we stated in our letter to the Klamath County Board of Supervisors dated January 23, 2018 requesting a lot line vacation (for Emerald Meadows HOA lots 44 and 45), our purpose was for estate planning and view preservation. At no time was our intent to eliminate payment of one homeowner fee from the current fee per lot. Our request was granted by the Klamath County Board of Supervisors on March 13, 2018.

As I stated to the Board of Directors of the Emerald Meadows HOA at the March 31, 2018 meeting, I (we) volunteer to continue paying the annual fees for each lot.

Thank you,

Douglas Higgins
